

At Silverstream Handcrafted Landscapes we design and collaborate with Ireland's leading landscape architects and garden designers to build bespoke, high-end, award-winning gardens. We currently have an exciting opportunity for a full-time, experienced and motivated Landscape Site Foreperson to join our multi-award-winning construction division and help bring design-led plans to life.

Role & Responsibilities include, but are not limited to:

As a key member of our construction team, you will take ownership of physical transformations on-site. Your main duties will include:

- Efficient management of landscape construction sites
- Adhere to workplace Health & Safety requirements & address any issues
- Accurately read and implement detailed landscape plans to precise specifications
- Work closely with operations team on a daily basis to streamline supply chain logistics and supervise subcontractors
- Manage groundworkers, machine operators and other site personnel
- Oversee drainage, utilities, ducting, foundations and associated works
- Manage construction of walls, kerbing, paths, paving and external works
- Monitor craftsmanship and ensure quality is in line with company standards
- Work closely with designers and construction team to maintain programme
- Identify and resolve day-to-day issues to ensure the progression of works
- Good communication skills and attention to detail is essential
- Report daily activities to operations administration
- Plan, organise and check plant, equipment and materials onsite

Key Requirements:

- Minimum 3 years relevant experience
- Ability to read drawings, understand site levels, drainage requirements, sub-base depth specifications & sequencing of works
- Experience in paving, kerbing, blockwork & general hardscaping
- Strong planning and organisational skills
- Ability to lead a team and manage 2+ concurrent projects
- Competent in operating site machinery & power tools safely
- Valid Safe Pass & Manual Handling Certificates
- Full clean Irish driving licence
- Must be currently living in Ireland and eligible to work legally

Core Qualities:

- Ability to work positively as a team lead
- High levels of energy, self-motivation
- Strong attention to detail
- Ability to work under pressure to meet project deadlines
- Strong work ethic • Integrity and discretion
- Good time-management & safety awareness

What you receive for fulfilling this role:

- A competitive salary depending on experience
- Company van, phone and device
- Paid travel-time
- PPE & uniform supplied
- Company pension scheme
- Additional holidays and bonus payments scaled to years of service
- Staff discount
- Working for one of Ireland's leading award-winning landscaping companies
